

In-House Lawyers: Brexit, intellectual property and commercial contracts

Covid-19 and the challenges associated with it grind on into a second wave. Not only that but there's the prospect of Brexit and a looming recession ahead. It would be entirely forgivable not to be on top of the law right now. Watch our on-demand video, where we have discussed Brexit and intellectual property and consumer and commercial law changes.

 27 November 2020

This webinar took place on Monday 26 November 2020 and is now available on-demand.

Please register or click "already registered" if you've registered previously.

So Covid-19 and the challenges associated with it grind on into a second wave. Not only that but there's the prospect of Brexit and a looming recession ahead. It would be entirely forgivable not to be on top of the law right now. After all – there's plenty else to worry about.

Please see our speakers and the topics that they have discussed in this session below:

- Changes to your intellectual property as a result of Brexit, and intellectual property issues with ex-employees - [Giles Parsons](#)
- How Brexit may affect commercial contracts - Alex Watt

This session focused on practical solutions that you can utilise from home in your agreements and your dealings with business.
