

Shared Insights: Focus on emergency medicine

📅 07 October 2022

In this Shared Insights session, Focus on Emergency Medicine, chaired by [Jennifer Fagin](#) and [Amelia Newbold](#), we were pleased to be joined by: **Dr Alex Crowe**, Deputy Director Incentive Schemes & Academic Partnerships, NHS Resolution and Consultant Nephrologist and **Miss Susie Hewitt MBE**, Consultant in Emergency Medicine, University Hospitals of Derby and Burton NHS Foundation Trust.

The discussion covered a number of topics focusing on Emergency Medicine, how to learn from claims and how to implement recommendations in order to reduce harm. For more information and details of how we can help, you can download the note below.
