

Health and Care Connect: Health Check - March 2024

 01 March 2024

Bringing together the latest updates and events to help you keep your finger on the pulse of current health and care issues in the independent sector.

Welcome to Health and Care Connect's third edition of Health Check, a sector-specific roundup giving you a snapshot of our latest updates, key dates for your diary and noteworthy development affecting the independent health and care sector.

This edition covers topical issues such as whether the legal framework is suited to address the ongoing mental health crisis, the impact of the Procurement Act's requirement to measure contract performance and upcoming changes to employment rights of workers.

Legal updates from our experts

Planning the future of healthcare

Carly Caton and Gerard Hanratty discuss the future of healthcare, the role of the integrated system and success factors for an effective integrated care system.
