Michael specialises in construction where he is involved in a range of contentious and non-contentious work.

He advises clients on different forms of construction and engineering contracts, professional appointments and warranties. He also advises on the resolution of disputes including mediation, adjudication, litigation and arbitration and has experience of defending and bringing professional indemnity claims against construction professionals.

Michael spent nine months on secondment working in house with Mace Limited on both domestic and international construction projects and tenders. Before joining the firm, Michael gained over four years' experience in the construction industry working as a quantity surveyor in London on a range of projects, including the Millennium Dome.

Expertise

Sectors

Real estate and construction

Testimonials

Clients

"Michael's commercial background in the construction industry distinguishes him from other private practice lawyers. He will take a proactive and pragmatic approach to dispute resolution and will try to secure the best commercial outcome as quickly as possible. I always feel assured when I instruct Michael that I am in safe hands and can leave him to get on with the job as if he were a member of our own legal team."

Client,

"The great service we've had to date. Quick responses from Declan, Tim, Michael Sadler and the team which make our lives easier as they understand the nature of our business."

Anna Smyth, Solicitor, Mace Limited
