+353 1 574 3912

Ciarán is one of the founding partners of our first [international office in Dublin](#). He is a dispute resolution expert, specialising in contentious technology and IP matters and in competition / antitrust disputes. He is ranked in Chambers Global for Dispute Resolution and Legal 500 recognise him as a key lawyer across Dispute Resolution, IP and EU/Competition.

Ciarán has acted for a diverse range of clients with a TMT sector focus, including multi-national tech companies, global brands, founders and investors. Ciarán regularly advises clients in complex high-value disputes before the Commercial Court. He has brought several complex disputes involving private equity (PE) and venture capital (VC) investors to successful resolution.

## Testimonials

### Directories

*"What we've particularly valued is their proactive approach. They don't just respond to our needs; they anticipate them. Their preemptive guidance on potential legal hurdles has saved us time and resources, allowing us to focus on our core business functions."*

**Legal 500 EMEA 2024,**

*"In a market where legal firms can often seem indistinguishable, these individuals bring a unique blend of technical excellence, business acumen, and personal engagement that sets them head and shoulders above the rest."*

**Legal 500 EMEA 2024,**

*"...bring a level of personal commitment that goes well beyond what one might expect; it's clear they see our success as their success. Their ability to cut through legal jargon and communicate complex matters in straightforward terms has made decision-making much simpler for us. They demonstrate an impressive depth of technical expertise, which has been invaluable."*

**Legal 500 EMEA 2024,**

*"Ciaran Markey and Darragh Killeen – both excel at efficient, proactive advocacy to position cases for a favourable resolution."*

**Legal 500 EMEA 2024,**
