+44 (0)115 908 4862

Rebecca works within our development and housing team and specialises in commercial, residential and mixed-use developments, infrastructure and regeneration schemes. She acts on all aspects from site acquisition, including joint venture and collaboration agreements, through the development process to investment sales and financing.

Rebecca acts for both public sector bodies and private developers and investors on complex projects and particularly enjoys the project management aspects of coordinating a legal team to meet her clients' objectives.
