Rudo is an associate in our insurance and public risk team. She has experience in administrative, planning, and environmental law. Rudo regularly acts for local and planning authorities, private developers, registered social housing providers and non-departmental government bodies and statutory nature conservation bodies.

Before joining Browne Jacobson, she trained as an in-house Local Authority lawyer and, for several months post qualification, practiced as one. Rudo's experience includes advising on complex environmental and planning matter, judicial review claims, planning inquiries and planning agreements.
