

DPO continuous development programme: Year Two - Agenda

Following on from our popular and highly regarded DPO Continuous Development Programme, this Year Two course builds on that strong learning platform and focuses in greater depth on the key issues, supporting you with building your confidence, reducing resource need and limiting or removing the need for external legal spend.

Running over five months, this Year Two course is again led by Year One course leader and education GDPR expert lawyer, Dai Durbridge. Delivered remotely via Zoom the interactive and engaging course is limited to 32 delegates per course and covers:
