

Midlands Banking & Finance update - 2019 so far

Our Banking & Finance Team continue to be busy despite the geo political environment and it shows no signs of slowing down! To support our fast growing team we have recently recruited a new partner into our Birmingham office - Paul Hill - who joins us with 10 years' banking & finance experience at A&O and he has already hit the ground running and completed his first few transactions.

Below are a flavour of some of the transactions the banking & finance team have been involved in recently:

“

The firm is commercial, pragmatic and responsive.”

Chambers and Partners 2019

Acting for Santander on a debt and growth capital funding package to support the management buy out of IDE Systems.

Acting for Palatine Private Equity on the secondary buy out of CET UK supported with senior facilities from Clydesdale Bank and mezzanine facilities from Beechbrook Capital.

“

I appreciated their willingness to innovate and to not just do exactly what I told them, but think of better ways to do it.”

Chambers and Partners 2019

littlefish managed IT services

Advising Little Fish on its funding arrangements with HSBC in relation to a minority investment from LDC.

Acting for Local Space Housing Association on £30m of increased facilities from Santander and Barclays to fund the purchase of additional housing.

OakNorth

Lending for entrepreneurs, by entrepreneurs

Completed a debt finance deal acting for OakNorth, who supported the management buyout of the UK's leading hydro shop, GroWell.

HSBC

Advising HSBC on the management buy out of Tetenal Limited.
