A highly personable team. Enjoyable to work alongside whilst also carrying out work in a professional and highly competent manner. Communicate well throughout a transaction and the depth of team means that there is always someone to pick up work to meet tight timescales when required.

Legal 500

Graham heads up the Browne Jacobson Manchester banking & finance team.

Graham advises both lenders and borrowers on all types of debt finance transactions including acquisition finance, asset based lending, real estate finance and debt restructuring. He also has extensive experience advising corporate clients and private equity houses on sponsored transactions. He is well connected in the Manchester market and acts for a wide range of banks, corporates, private equity houses and alternative debt funders.
