

Advancing social mobility in business: Insights and best practices

05 November 2024

This webinar took place on Tuesday 5 November 2024 and is now available on-demand. Please note that subtitles will be available for this on-demand webinar 72 hours after the live webinar took place.

Join us for an insightful on-demand webinar on explaining what the Social Mobility Employer Index is, and why businesses should enter.

This webinar features:

- An introduction to the Social Mobility Employer Index and its advantages for businesses by the Social Mobility Foundation.
- Browne Jacobson's showcase of their social mobility initiatives, including:
- The award-winning FAIRE work experience programme
- Adapted recruitment processes to attract diverse talent
- Utilisation of staff voice to identify barriers for those from lower socio-economic backgrounds
- Collaboration with clients to promote social mobility.

Who should attend

- Professionals interested in developing a social mobility strategy
- Organisations that have begun addressing social mobility but haven't entered the index
- Current index participants seeking best practices from a top-ranked employer.

Don't miss this opportunity to learn how your business can contribute to and benefit from improved social mobility.

Additional highlights

- Learn about our newly announced "Social Mobility Incubator", supporting clients and businesses in developing their own social mobility strategies
- Save the date for our upcoming social mobility conference: 11th June 2025

Topic: "Enacting the socio-economic duty – What's next for the public sector?"
