

Public matters - May 2021

This month includes updates on safe use of council offices, recent changes to Part 36 Offers and leading through change.

19 May 2021

Welcome to our Public Matters Newsletter.

This month we have:

[Wigan v Scullindale – local authority break rights in long development leases](#)

Ayesha summarises the key points of the decision, together with practical considerations for landlords and tenants to keep in mind.

[Read more >](#)

[The countdown to private finance initiative \(PFI\) handover – what's your seven-year plan?](#)

Martin considers key actions for public authorities in managing the PFI handover process.
