Getting your initial procurement documents right – practical tips and pitfalls to avoid

09 October 2020

This webinar took place on Thursday 8 October 2020 and is now available on-demand.

Please register or click "already registered" if you've registered previously.

We are delighted to be hosting the first webinar in LLG's new Talking Procurement series. This session will be a practical overview of how to get those all-important procurement documents right. To help you navigate this task, our team will be sharing their experience of practical tips and also pitfalls to avoid. The speakers are Peter Ware, Partner and Head of Government Sector and Louise Bennett, Senior Associate.

Speakers

Louise Bennett
Principal Associate

Louise works within the Government and Infrastructure team and specialises in Public Procurement matters on both high value transactional matters alongside procurement litigation and public sector commercial projects.
