

Mock inquest training sessions

ON24 webinar
13 February 2024 to 20 March 2024

The cost of this course is £55.00+VAT per module or £275.00+VAT for all 6 modules.

This is an important training course for practising clinicians and any health and care professionals who would benefit from understanding the inquest process, including social workers and those working in clinical governance, patient safety and risk, complaints, family liaison and in-house legal teams.

This virtual training course will provide essential knowledge, tools and insights delivered by a range of legal experts and includes insights, lectures and mock inquest scenarios involving Dr Nina Lewis, Medical Examiner and six experienced Coroners: Professor Catherine Mason, Senior Coroner for Leicester City and South Leicestershire; Mrs Louise Hunt, Senior Coroner for Birmingham; Mr Zak Golombeck, Area Coroner for Manchester City; Miss Louise Pinder, Assistant Coroner for Derby and South Derbyshire; Mr Ian Dreelan, Assistant Coroner for Birmingham and Dr Robert Hunter, Former Senior Coroner for Derby and South Derbyshire (retired).

The course covers the inquest process from start to finish and provides practical advice and guidance on reporting deaths and certification, writing reports for the coroner and giving oral evidence in court or remotely. It includes several mock in-person inquests and a mock remote inquest hearing to provide a realistic experience of an inquest hearing from opening to conclusion and aims to introduce delegates to best practice when dealing with inquest hearings. The course also considers the wider implications of an inquest for the organisations and clinicians involved, looking at media coverage, compensation claims, disciplinary and professional implications.

The cost of this course is £55.00+VAT per module or £275.00+VAT for all six modules. For delegates who attend three modules or more you will be awarded a certificate at the conclusion of the course.

An invoice for payment of your chosen module(s) will be sent to the email address you specify in the registration form. Please note, if full payment is not received prior to the module date you will not receive your joining link.

All modules are recorded to allow flexibility so that, if you are unable to attend on the day, you will be able to watch the module at your convenience around your clinical or other commitments.

If you wish to cancel your place, 4-weeks' notice is required for a full refund. We are however, able to transfer your place to a colleague at any stage if requested.
