03 December 2024

Welcome to the December 2024 edition of 'London Market Quarterly'; a digest of cases, news and information for those working in the Lloyd's and London Market.

In this edition we look at recent and ongoing cases involving: the Aviation sector, arising from the Ukraine-Russia conflict; two recent Court of Appeal decisions in the ongoing Covid BI litigation; and recent Commercial Court decisions regarding the interpretation of a Political Violence policy and a reinsurance framework agreement.

As ever, if you would like to discuss any of the matters below, do not hesitate to get in touch with our London Market Team.
