

Back to school – keeping you informed

14 August 2020

Please note: the information contained in this legal update is correct as of the original date of publication.

With conversations continuing and advice plentiful on how you can best protect your pupils and staff, our team of HR and legal specialists are on hand to help you stay informed, and provide you with the most up to date advice to enable you to continue to deliver educational excellence.

Back to school: Health and safety

We discuss essential health and safety aspects, including the importance of good hygiene and cleanliness practices and creating socially distanced bubbles.

Back to school: Employment

We reiterate the importance of good communications and listening to your staff.
