

AI governance in schools: Support showcase and surgery

📍 Online

📅 12 June 2025

Join us for an exclusive preview of our innovative new AI Governance Support Pack for schools and academy trusts.

This interactive session is free to attend and will provide you with a comprehensive overview of the contents and benefits of the support pack, which has been designed by our expert team to help you to navigate the complexities of AI governance effectively.

During the session, you'll have the opportunity to:

- Explore the key components of effective AI governance in schools and trusts.
- Understand how our support can enhance your AI governance framework.
- Ask our expert team about your AI governance challenges and discover solutions.

This session will be invaluable for school leaders looking to stay ahead as new uses of generative AI technology emerge and influence the sector.

Your participation will not only provide insights into best practices but also foster collaboration, sharing experiences and strategies with your peers from across the country.

Join Claire Archibald and Beth Paliga for this free, interactive session to find out more.
