

Procurement Bill - key changes and how will it affect you?

29 March 2022

This webinar took place on 29 March 2022 and is now available on-demand.

In anticipation of the release of the [Procurement Bill](#), our specialist procurement team spoke through the new regime and the key changes that will take place after the transition period.

Topics covered included:

- The core principles of procurement and the new look procurement procedures
- Procuring the Most Advantageous Tender (MAT)
- New look framework agreement and DPS provisions
- Grounds for exclusion and the debarment list
- Transparent and open contracting
- Managing contract modifications
- Access to Justice – reform of the review system and remedies.

The speakers also provided details of the upcoming campaign [Ready for Reform](#). This campaign will help you navigate the transition to the new UK [public procurement](#) rules, emphasising on the practical changes that will be required to your day to day working practices.

Speakers

Louise Bennett
Principal Associate

Louise works within the Government and Infrastructure team and specialises in Public Procurement matters on both high value transactional matters alongside procurement litigation and public sector commercial projects.
