

Integrated care – system reset

This webinar addresses some of the legal issues the pandemic has presented for integrated commissioning, service reconfiguration, patient discharge, ICS and ICPS information sharing and hospital groups.

15 May 2020

This webinar is now available on-demand.

We recognise that COVID-19 has presented a huge array of legal challenges to our healthcare clients. Therefore, we are hosting a webinar to address some of the legal issues the pandemic has presented.

This will include a particular focus on:

- Integrated Commissioning post COVID-19 - [Charlotte Harpin](#)
- Service Reconfiguration – using technology to involve stakeholders - [Gerard Hanratty](#)
- Patient discharge – the key legal risks - [Matthew Alderton](#)
- Integrated care provider (ICS) and integrated care partnerships (ICPS) – sharing information - [Dmitrije Sirovica](#)
- Hospital Groups – a new way to provide services - [Christian Dingwall](#)

The webinar will be chaired by **Sir Neil McKay**, Consultant for Browne Jacobson.

Please feel free to send in any questions you may have in advance.

If you can't make our webinar please feel free to sign up and we will email a copy of the webinar recording out afterwards.

Speakers

Matthew Alderton

Partner

Matthew is an experienced public, regulatory and information law advisor and litigator who provides advice and representation to public bodies and companies across several sectors, with a particular focus on central and local government, arm's length and regulatory bodies, health and education.

Charlotte Harpin
Partner

Charlotte regularly advises on complex governance and public law issues in the health sector. She is nationally recognised for her expertise on CCG governance (in particular, CCG constitutional matters) and is advising on the development of a number of CCG mergers and integrated care system developments across England. Charlotte is also sought-after for her advice on information law, particularly in relation to complex data sharing arrangements in the health sector. Clients praise her pragmatic approach and ability to distil complex concepts into plain English.
