

Guide to infrastructure finance and recent trends

Banking and finance lawyer, Paul Hill, provides you with an update on infrastructure finance.

30 July 2019

Banking and finance lawyer, Paul Hill, provides you with an update on infrastructure finance. Paul starts by explaining infrastructure finance and the importance of infrastructure assets for public services. Paul also expands on the nature of infrastructure debt and what is contributing to the high levels of appetite in the market.

Watch our short update to find out more.
