

Pupillage open evening

08 January 2025

Thinking of a career at the employed bar? Or interested in how a pupillage at a leading law firm might work? Watch our on-demand pupillage open evening to learn about life as a pupil at Browne Jacobson, our exciting areas of practice and what to expect from our application process.

The recording covers:

- Structure of pupillages
- Areas of work
- Introduction to the pupil supervisors and former pupils
- Application tips and advice
- Q&A session

During our first pupillage webinar, we explain how the pupillages being offered by Browne Jacobson Barristers in 2025 – 2027 (Nottingham and Exeter) are structured, the areas of work you will be exposed to and how your pupillage will be assessed. The proposed pupillage supervisors present this on-demand session, and their former pupils, answering your questions about our team, the pupillages on offer and the application process.
