17 September 2024

UK and Ireland law firm Browne Jacobson has announced the appointment of partner Christian Farrow to its **Corporate** team, based in Cardiff.

Christian joins from Acuity Law and has a broad **corporate** practice, with extensive experience advising on public and private **M&A**, joint ventures, management incentivisation arrangements, equity investments and fundraisings.

With a career spanning more than 20 years, Christian has been involved in many of Wales' most significant transactions in recent years and has experience across a range of sectors including clean energy, **insurance** and **financial services**, manufacturing and training and education.

Christian's appointment comes at a time of continued rapid expansion for Browne Jacobson's Cardiff office, following the recent appointment of Corporate partner Tom Saunderson.
