

Monthly insurance policy wording update

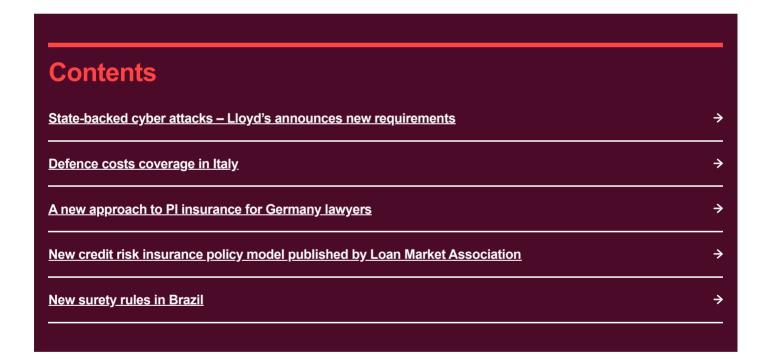

The Word, August 2022

11 August 2022

Welcome to August's edition of The Word. In this edition we take a look at legal costs cover in Italy, surety contracts in Brazil and professional indemnity insurance for German lawyers. Back in the UK, we provide an overview of the new model credit risk insurance policy and Lloyd's new requirements in relation to state-backed cyber attacks.

I hope you find this edition useful and informative.
