

# Local authority acquisition and disposal of land - hear from our experts

In this webinar, Richard Barlow, Zo Hoida and Neil Walker cover commercial and public law considerations

 24 July 2019

Ongoing austerity requires authorities to 'sweat their assets' and land holdings are a significant focus for the generation of revenue and capital.

In this webinar, [Richard Barlow](#), [Zo Hoida](#) and [Neil Walker](#) cover commercial and public law considerations in relation to:

- Powers to acquire land
- Powers to invest through land acquisition including investment purchases
- Potential barriers to disposal
- Planning permission
- Powers to dispose of land
- Pre-conditions relating to disposal of land
- A capital receipt or a revenue stream
- Development vehicles and options
- Who do you need to be able to satisfy as to the legality of land transactions.

Follow our [LinkedIn showcase page](#) for more useful training and resources.

## Speakers

Richard Barlow

Partner

Richard specialises in administrative, local authority liability and environmental law; experienced in countryside and environmental litigation.
