

NHS White Paper (part 4) - key aspects of the 'Additional Proposals' included within the White Paper

The fourth in a series of four webinars regarding the NHS White Paper, ensuring accountability and enhancing public confidence proposals section of the white paper.

10 May 2021

This online event took place on 14 May 2021 and is now available on-demand. The content in this recording was correct as of the original webinar date.

This is the fourth and final in a series of four webinars and we provided an overview and discussion of key aspects of the 'Additional Proposals' included within the White Paper, including data, discharge to assess, the HSIB and Medical Examiners. It will be an opportunity to share thoughts on any practical implications which may arise out of the proposals.

The session was chaired by Sir Neil McKay, Strategic Consultant for Browne Jacobson, who has a long and distinguished career in senior leadership positions in the NHS in England.
