Testimonials

"I don't know anybody who can balance commercial awareness with a sound protective understanding of legal boundaries in the way Sandra Wong can. I feel secure and supported knowing that Sandra and her team are a backstop to my business."

Legal 500 2024,

"I now consider Sandra Wong to be an incredibly important part of my own business team. Though her support is external, she has taken the time to understand our business as well as anybody else internal, and can offer advice based upon historic detail, tailored to the specific needs of our business."
