Natalie supports the delivery of the firm's events and webinar calendar executing over 200 internal, external, hybrid and in-person events. Some of Natalie's key projects include running our Shared Insights virtual sessions, managing client and delegate queries and delivering in-person events at all of our offices.

Natalie has extensive experience in the events and hospitality industry, with over 5 years' experience. Before joining Browne Jacobson, Natalie worked in the hotel industry, with a focus on wedding planning, galas and private dining experiences. Having previously studied Event Management at Coventry University, Natalie understands the importance of being pragmatic and pro-active in an ever-changing, fast paced industry.
