+44 (0)330 045 2739

Harry is a principal associate in Browne Jacobson's corporate team and is based in London. Harry's focus is on high growth tech sector funding rounds, as well as M&A and solvent restructurings.

Harry is well-connected to start-ups, investors, accelerators and other organisations in the high growth ecosystem and his clients range from newly formed companies through to listed entities.

Expertise

Featured experience

Superscript

Advised UK-based InsurTech Superscript, a digital-first insurance provider to small businesses and high-growth tech companies, on its \$54m Series B funding round led by BHL UK (owner of Comparethemarket) and with participation from Fortune 500 insurer, The Hartford.

Laka

Advised London based insurtech business Laka on its \$13.5m Series A investment round, led by US mobility investor Autotech Ventures with participation from sustainable mobility and energy fund Ponooc (a Dutch, sustainable mobility investor with close ties to the world's largest bike seller, Pon), ABN AMRO Ventures and Porsche Ventures.

Omega Crop

Advised Omega Crop, an agricultural modelling and remote sensing business, on its £1.2m seed round by science business builder, Oxford Sciences Innovation (OSI).

Laka Ltd

Acted for InsurTech business Laka Ltd on its USD1.5m funding round led by Tune Protect Group Berhad (a financial holding company listed on the Malaysian Stock Exchange) and Silicon Valley-based venture capital firm 500 Startups.

Testimonials

"Jon Snade, Partner and Harry Pearson, are our advisers of choice for anything related to corporate advice, predominantly fund raising."
