Lucy is an associate within the government and infrastructure team and is a member of the Chartered Institute of Legal Executives (MCILEX). Lucy assists with advice to both local authority and private sector clients on a range of matters including regeneration and development, public procurement and commercial contract drafting.

Lucy provides assistance to the team across the London, Nottingham and Manchester offices with a broad range of public sector advice. Primarily, Lucy assists private and public sector clients on:

- Mixed-use regeneration and development schemes;
- Public procurement strategy;
- Drafting of procurement documents for local authorities to go out to market;
- Commercial contract drafting; and
- Local authority powers, rights and duties.

Lucy has been an Advanced Paralegal member of CILEX since October 2022.
