Megan is a second seat trainee in our Manchester office. Her first seat was with the Inquest and Advisory team in the Health department, assisting in Court of Protection and Inquests work. She is now part of the Built Environment team, working on commercial property projects in both the public and private sectors.

Megan completed her Law LLB at the University of Leeds before completing the Legal Practice Course and LLM Master of Laws at the University of Law, graduating with Distinction. After a successful Vacation Scheme in June 2023, she joined the firm as a trainee solicitor in February 2024.

At Browne Jacobson, Megan contributes to our Diversity, Equity, and Inclusion initiatives, including mentoring for our REACH programme, participating as a panel guest at career events, and being a proud member of our Pride network.
