+44 (0)115 976 6256

Richard is our Managing Partner and leads the delivery of our strategy. He has 20 years' experience working with our clients across the private and public sectors as a corporate finance partner, advising on mergers & acquisitions, private equity deals, international transactions, corporate reorganisations and the commercialisation of public services.

Before becoming Managing Partner Richard headed up our Business Services department and uses his management experience alongside his expertise in corporate governance derived from his client work to manage all aspects of the firm's operation.
