Kelly is an experienced insurance claims handler within the delegated authority claims handling team. She specialises in advising on insurance policy coverage and handling claims from start to finish, with key expertise in employment practices liability issues. She provides excellent client service to insurers, policyholders, and brokers. Kelly has a degree in BA Criminology.

Kelly has experience of handling the following delegated authority schemes:

- Employment Practices Liability
- Directors, Officers and Corporate Liability
- Trustees & Individual Liability
- Professional Legal Liability

Kelly also advises on policy coverage investigations.
