Sahnia is a solicitor apprentice currently working across real estate including services for development and regeneration, retail and commercial property. Sahnia primarily advises clients on a range of real estate transactions, working closely with both public and private sectors.

Sahnia undertakes experience in a variety of departments within the firm as part of the solicitor apprenticeship programme. Currently, Sahnia is involved in a number of real estate transactions which include volume residential plot sales as well as experience within the retail property sector which involves acting for volume retailers and dealing with the management of retail premises.

Sahnia also remains passionate about increasing access to legal apprenticeships for young, aspiring solicitors and volunteers with organisations that provide support and mentorship to young people in their journey to a career in law.
