Emma is a partner at Browne Jacobson and is joint head of the national banking and finance team. She advises on all types of financing transactions and specialises in health and social care as a sector. Emma is well known in the West Midlands market for delivering an excellent, efficient and straight-talking service to her clients, and as a result she has a loyal client following.

Emma has been a partner at Browne Jacobson since 2015 and since then has been ranked in both Chambers and Legal 500 as a leading lawyer. More recently Emma was shortlisted for Lawyer of the Year at the Midlands Dealmakers Awards – a true testament to her activity in and commitment to the region.
