Sally is an associate in the restructuring and insolvency team. Sally advises on both contentious and non-contentious matters, with a primary focus on non-contentious transactions acting for insolvency practitioners, clearing banks, asset-based lenders and private equity providers.

Sally has experience in advising boards of directors, restructuring businesses and considering turnaround options, negotiating sale of businesses and assets and advising on realisations and returns to creditors in all capacities.

Sally is an associate to watch for the future.

Expertise

Services

Asset based lending	Business ownership disputes	Fraud and asset recovery
Banking and finance	Directors and officers	Restructuring and insolvency

Experience

Manufacturing: complex property sale

Manufacturing: complex property sale Advising the administrators of a leading manufacturer and supplier of silver brazing alloys, metal joining products and industrial silver alloys on the sale of the production site from which the company (and others) operated, involving complex environmental issues.

Automotive industry: Multiple trading administrations

Advising insolvency practitioners on multiple automotive trading administrations, which included providing advice on the continued trading of the businesses, entering into funding agreements with OEMs, negotiating continuance of trade and contracts for supply agreements

and effecting sales of the businesses and assets in order to conclude a substantial return to the creditors and ongoing supply of a global supply chain.

Grant Thornton: Funding and portfolio investments

Advising GT in the BVI regarding funding, enforcement and realisations on a number of portfolio investments in the UK involving complex tax legislation, international funds transfers and enforcement of non-co-operative debtors and advisors.
