Asset based lending

Banking and finance

Business ownership disputes

Business recovery for retail

Commercial law

Corporate

Directors and officers

Fraud and asset recovery

Restructuring and insolvency

Featured experience

Advisory – Asset Based Lending

Advising ABLs on funding, asset protection, and recovery strategies both within and outside of formal insolvency processes across a broad range of sectors.

Advisory – Financial Services Sector

Advising administrators on the sales of SIPP investments and related assets to a new provider, involving working closely with Regulatory bodies within the framework of the Financial Services and Markets Act 2000, to ensure protection of pension holder's investments and structuring sales and service agreements to protect against multi-million-pound litigation claims arising from poor investment advice.

Administration Trading – Automotive Sector

Advising on corporate governance issues for a Tier One Automotive Supplier, with competing overseas investor interests, involving the negotiation of Funding and Trading Agreements for a trading administration with leading OEMs and structuring a sale to achieve the first rescue of a pension scheme from a PPF warning period.

Administration Advisory and Sale – Leisure Sector

Advising on the funding and operation of a nationally renowned amusement park, hotel and zoo, during and post the Covid shut-down and the subsequent sale of the business out of administration to a French sovereign-wealth fund backed buyer.
