+44 (0)330 0452540

Viney is an associate in the commercial health team who has a particular focus on commercial contracts, projects and procurement. Viney advises a number of our clients, which predominantly includes our public and independent sector health and care clients.

Viney is passionate about diversity and inclusion having experience as the Strand Lead for REACH from his previous organisation. He has assisted with D&I Strategy, arranged events nationally and was also invited by Birmingham Trainee Solicitors' Society to sit as a panellist for a Q&A session during Black History Month.
