+44 (0)330 045 2479

Melissa supports the delivery of our firm's events and webinar calendar, executing over 200 internal, external, virtual, hybrid, and in-person events. Some of her key projects include planning and delivering our Private Sector Development Club and Claims Club event series across all of our Browne Jacobson offices.

With a background in the hotel industry, Melissa has extensive experience which she brings to the team, ensuring that all events are aligned with our company values while creating valuable and memorable experiences for our clients. Melissa is passionate about creating events that leave a lasting impression and is committed to making every event a success.
