

DPO Continuous Development Programme

Advanced course agenda

Designed to follow on from our intermediate course, this advance programme builds on that strong learning platform and focuses in greater depth on the key issues, supporting you with building your confidence, reducing resource need and limiting or removing the need for external legal spend.

Running over five months, this advance course is led by data protection expert and education lawyer, Dai Durbridge. Delivered remotely via Zoom the interactive and engaging course is limited to around 30 delegates per course.
