How to find us by rail

Nottingham station is a five minute taxi journey, or a short five minute walk. From the train station, head north on Carrington St and turn left when you reach Canal St. Keep left at the fork and merge onto Castle Boulevard, keeping left round the HM Land Registry building and onto Wilford St. Our office is situated on the right hand side of Wilford St, just after the canal. Alternatively, from the train station, head north on Carrington St and turn Left on the canal tow pass. Walk past the Magistrates Court on your left. As you see the bridge where the road crosses the canal, take the slip road on the left immediately before it which will lead you up to the main road. You'll see our office directly across the road.

If using a sat nav, please use the following postcode: NG2 1AB

Car parks

The closest car park to the office is shown on the map;
Arndale Centre, NG1 6AE. (first page)

How to find our car park

If you have booked a car parking space at our office for your visit, use the postcode NG2 1AB.
Please ensure you book a car parking space in advance as we have limited spaces available.

If using a sat nav, please use the following postcode: NG2 1AB

Finding our car park from Nottingham City Centre

Turn left onto Wilford Street. At the first set of traffic lights by the Nottinghamshire Archives, turn left onto Castle Meadow Road. At the roundabout turn right and continue under the bridge. The gate house will be on your right hand side and the security guard will confirm the details of how to get to your allotted parking space.

Finding our car park from Queens Drive

Continue from Queens Drive (A453) onto Wilford Street. At the first set of traffic lights, turn right onto Castle Meadow Road. At the roundabout turn right and continue under the bridge. The gate house will be on your right hand side and the security guard will confirm the details of how to get to your allotted parking space.
