
DPO Continuous Development Programme

Intermediate course agenda

Running over four months, our Intermediate DPO Continuous Development Programme is led by data protection expert and education lawyer Dai Durbridge. He will provide you with all you need to stay up to date throughout the year. Delivered remotely via Zoom the interactive and engaging course is limited to 30 delegates per course and covers:

March 2023

For the first month, we revisit some key foundation stones of GDPR knowledge and focus on the most frequent issues arising in schools and academies
